GAVE HER DAMAGES

THE JURY GAVE ADA STOCKTON JUDGMENT FOR \$2,438.66.

NEW TRIAL OVERRULED

A. O. Mason's Appeal Was Set Aside—Other Cases Disposed of—Court Again October 30.

The jury in the case of Benjamin Hutchinson against Ada Stockton, nee Long, on which the plaintiff was suing to have a judgment set aside, returned a verdict late Wednesday afternoon for the defendant and assessed her damages at \$2,438.66, with 6 per cent interest from February 26, 1910, or amounting to \$2,438.66. The verdict was signed by nine men out of the twelve.

Other cases up before the court Wednesday were as follows: Rockwell Bros. & Co., vs. O. A. Simmons et al., to cancel deed, plaintiff's motion for rehearing overruled. Plaintiff's file affidavit for appeal.

George W. Lieber and Margaret B. Lieber, Mary J. Holmes and Oliver L. Holmes and Laurana C. Lieber vs. Chloe L. Craig, partition, by consent of all parties and no objections to commissioner's report being filed, the report of commissioners is in all respects approved and confirmed.

W. T. Jackson vs. G. W. Anderson, attachment, change of venue granted on defendant's motion and case sent to Andrew county.

The Peoples bank of Maitland, interpleaded in case of W. T. Jackson vs. G. W. Anderson, interplea, by agreement interpleader made granting an appeal is set aside.

Charles Hessler, interpleader in case of W. T. Jackson vs. G. W. Anderson, interplea, by agreement interpleader dismisses suit at W. T. Jackson's cost.

First National Realty and Loan Co. and James L. Ballard vs. A. O. Mason, damages, defendant's motion for a new trial is overruled. Plaintiff files motion for judgment for treble damages, which is overruled. The jury having found for the plaintiffs in the sum of \$300, judgment ordered for that amount. But plaintiff and defendant file affidavit for appeal to Kansas City court of appeals, which is allowed and defendant's appeal bond fixed at \$600.

Jerry Edwards vs. Martha E. Schaaf et al., contract, plaintiff files motion to set aside order striking cause from the docket.

Court adjourned to meet again October 30. Judge Peery of Albany will come on October 31 to sit as special judge in the case of Elizabeth Growney vs. Patrick J. O'Donnell et al., to set aside deed.

SLIT SKIRTS ARE HEALTHY.

So Says a U. S. Health Officer—Warns Women Not to Wear Too Much.

The slit skirt was given an official approval by one of the officials of the marine hospital and public health service at Washington, D. C.

"Women wear too many clothes in winter, anyway," says Assistant Surgeon General Rucker, who today prescribes a few fall and winter health hints for the populace.

"Don't overload your body with heavy garments," he advises. "Slit skirts and diaphanous gowns are not menaces to health in cold weather. On the contrary, the woman who wears the present styles will be less liable to catch cold than one who crowds her body with heavy woollens the first chilly day."

"To prevent winter colds, dress warmly and comfortably, but don't wear too many clothes. This, of course, does not apply to overcoats and outer garments. Dress according to your particular climate, and your usual fall and winter colds are not liable to appear."

"Persons who are not in the open air in the day should specially guard against heavy underwear," said Dr. Rucker. "Heavier wraps when out of doors will equalize the temperature of the body. Cold feet are always dangerous."

He also repeated the established warning about sleeping in stuffy rooms and declared that the open window bed room, no matter how cold, is always a preventive of bad colds and pneumonia.

And here's a way to cure a cold in its early stages:

"When you feel a cold coming on, go into a room, open all the windows and disrobe. The cold air won't hurt you. Take a stiff brush and rub your body until it glows all over. The cold will go away."

Visiting St. Joseph Schools. Superintendent W. W. Westbrook of the Maryville schools went to St. Joseph Thursday morning to visit the schools of that city as the guest of Superintendent J. A. Whitford.

Schools Closed at Stanberry. The schools are now closed at Stanberry on account of several cases of diphtheria in that town.

THE BONDS WERE SOLD.

Hopkins Has Disposed of Her Water Bond Issue of \$12,000, Receiving Premium of \$155.

The \$12,000 water bond issue of Hopkins was sold this week by the city council of that place to Compton & Co. of St. Louis, this firm paying a premium of \$155 for the bonds, which are to draw 6 per cent interest. The Journal had the following to say in regard to the sale in this week's issue:

There were five bids, one bid at par, one at \$30, one at \$55, one at \$47 and the \$155 bid.

The bonds are to be in \$500 denominations and are to fall due one each year from 1917 to 1924, the last one falling due in 1922.

The city thinks it has made a good sale of the bonds, the same company paying Maitland only a premium of \$36 on \$15,000 worth of bonds.

Bids for digging the well and building the pump house will be opened October 31, and by December 1 everything will be in readiness to begin work on the system if the weather will permit. If it should turn bad, work will not begin until next spring, and in selling the bonds the city got the purchasers to agree to pay 4 per cent on the money until next January, provided it is not needed here before that time.

THE BAKER FUNERAL.

Rev. S. D. Harkness Officiated at Services at Christian Church—Burial at St. Mary's Cemetery.

The funeral services for Mrs. W. C. Baker of St. Joseph, a daughter of Mr. and Mrs. William Langan of this city, who died Sunday night at St. Francis hospital, were held Wednesday afternoon at the First Christian church, Rev. S. D. Harkness of the First Presbyterian church conducting the service. Many friends of the family were in attendance.

Mrs. F. P. Robinson sang the solo, "Crossing the Bar," by Ferris. A quartet composed of Mrs. Robinson, Mrs. J. D. Richey, Harry Mutz and W. E. Goforth sang two numbers, "Come Unto Me" and "In the Hour of Trial."

Interment took place in St. Mary's cemetery, with Rev. Father Willbrod of St. Mary's Catholic church officiating. The pall bearers were Arch K. Frank, Ernest Welborn, Brint Embree, Emmett Scott, Will G. Sawyers and Frank L. Garrett.

Many beautiful floral offerings attested the love and esteem in which the young woman was held in her old home. The casket was covered with Killarney roses, and these lovely tributes will be a bright memory of the past few days for those who are bereaved, especially for the little 5-year-old daughter, who does not yet understand her loss.

Out-of-town relatives here were Edward Ginzkey of St. Joseph, Nicholas Baker of Tea, S. D., and J. P. McManus of Quitman.

Operation Was Successful.

Rev. Samuel D. Harkness received a telegram last night from Mrs. Harkness, who is in Chicago, saying that an operation performed on her baby, John, is entirely successful. The baby was born with a defective palate which might have prevented perfect speech, but the operation remedies the defect. Dr. Brophy who is considered the best throat specialist in this country performed the operation. Mrs. Harkness expects to return home in about two weeks.

Miss Mary Carter, who teaches near Burlington Junction, went to her home near Barnard Thursday for a short stay.

GAVE FIRST TALK

DR. DODDS LECTURED AT FIRST M. E. CHURCH LAST NIGHT.

ATTENTIVE AUDIENCE

His Lecture Was Very Interesting—Will Deliver a Series of Them in Maryville.

Dr. Samuel Dodds of Butler, Pa., gave his first talk of a series of Bible lectures at the First M. E. church on Wednesday evening to a good sized congregation. Dr. Dodds comes for the union revival meetings of the Presbyterian and First M. E. churches of this city, and will give a series of lectures on the Bible until November 2.

The general subject for the evening lectures will be given over to the Gospel of Luke. Afternoon meetings will also be held at the First M. E. church during the meetings at 3 o'clock, and Dr. Dodds will talk on "The Mosaic Institutions." The first afternoon meeting was held this afternoon.

The opening lecture Wednesday night was very interesting and was well listened to. He spoke of the opening chapter of Luke. If the first meeting is any indication, the revival effort will be a success.

This evening Dr. Dodds will take for his subject the second chapter of Luke. Special music will be given by the combined choir of the First M. E. and Presbyterian churches. The pastors of both of these churches, Rev. G. S. Cox and Rev. S. D. Harkness, extend a cordial invitation to all church people and also to all others in the city to attend these lectures, as no church doctrine is preached, as the meetings are more for the intellectual apprehension of Bible truth and its spiritual application to the student and the times.

Rev. Harkness, in speaking of Dr. Dodds, says: "It seems to me that Dr. Dodds is even better in the present exposition of the Gospel than he was a year ago in his teachings of the Gospel of John. The deep attention with which he was greeted shows that our people are awakened to the need of knowledge of the Bible."

147 APPLY FOR JOBS AT FAIR.

Major Plans to Advertise State by Moving Pictures at San Francisco Exposition.

Jefferson City, Mo., Oct. 22.—There are 147 applicants of all political faiths for appointment on the Panama-Canal exposition commission.

The commission to prepare and look after the Missouri exhibit will consist of five members, not more than three of whom shall belong to any one political party. Governor Major said that he will name the commission within two weeks and that he will select three Democrats, one Republican and one Progressive.

The last legislature appropriated \$100,000 for this exhibit. Members of the commission will be paid \$5 a day and actual expenses while engaged in their official capacity.

A secretary of the commission will be selected from the membership of the body.

Governor Major said that he will establish an innovation in exposition exhibits at San Francisco. In the Missouri building there will be a large assembly hall in which moving pictures will show the great and diversified interests of the state.

"It will cost the state but very little to procure moving pictures, showing our fine herds of cattle and our great fields of wheat, corn and other staple crops," he said.

"We could show also our great and varied industries, the mines and the manufactures, and our splendid educational and eleemosynary institutions. These could be diversified by films portraying the beauties of the scenery of the Ozarks."

"In my judgment no more effective way of advertising our resources could be devised. A daily show of this kind would attract more people than any other kind of an exhibit."

The governor's idea is to have the moving pictures in addition to the usual display of products.

Several thousand specimens already have been gathered, prepared and stored in Columbia under the direction of the governor for use in the Missouri collection at the fair.

As soon as the commission is named plans for the Missouri building will be made and it will be erected early next year.

Is Attending Meeting.

C. E. Wells, librarian at the State Normal, is attending the joint meeting of the Missouri and Kansas Library association in St. Joseph this week.

Bought the Ford Farm.

A. C. Ford of this city sold his 139-acre farm, south of Hopkins, to W. W. Alexander and Eber Collins. The consideration was \$10,000.

BOOHER IN THE CITY.

The Congressman From This District Visited Maryville This Afternoon.

Congressman Charles F. Booher of Savannah was in Maryville this afternoon. He made a visit to the new postoffice building and called on many friends here. He was also seen by many leaders and all of the postoffice applicants were busy.

SUSPENDED CORPORATIONS.

A List of Those in Nodaway County Was Received From Secretary of State by Recorder Wray.

A list of the suspended corporations in Nodaway county during the past year was received Thursday by Recorder J. A. Wray from Secretary of State Cornelius Roach. The copy is posted in Recorder Wray's office, under the provisions of the new corporation supervision act passed by the last general assembly.

The following are the suspended corporations:

Lead Mountain Mining company of Maryville; Maryville Water company; Maryville Manufacturing company; Mineral Springs Sanitarium company of Burlington Junction; Nodaway Valley Oil, Gas and Mineral company of Burlington Junction; Northwestern Oil and Mineral company of Quitman; Maryville Mercantile company; Maryville Creamery company, and Nodaway Commission company.

The following are the foreign corporations suspended:

Minnesota, Iowa and Gulf Railroad company of Maryville; City Water company of Maryville, and the Elmo Improvement and Business company.

COAL HERE FOR 9,200 YEARS.

Missouri Supply Will Last Long at Present Mining Rate.

The visible and unknown coal supply of Missouri amounts to 39,854,000 short tons, which, at the present rate of consumption, will last 9,200 more years, or until the year of 11,113, according to information furnished to Commissioner John T. Fitzpatrick of the bureau of labor statistics which was imparted today in a bulletin entitled "Missouri's Visible Coal Supply, the Yearly Output."

In the same bulletin the announcement is made that the 1912 output of Missouri amounted to 4,329,856 short tons, consisting of 4,322,116 tons of bituminous, 14,157 tons of block and 3,583 tons of canal coal, valued at \$7,633,564. It was the highest production of any single year dating from 1840, when extensive mining of coal for commercial purposes commenced in Missouri. This was an increase of 503,749 tons, or 13.13 per cent, in quantity and of \$1,030,798, or 15.61 per cent, in value over 1911, when the production amounted to 3,836,107 short tons, valued at \$6,603,068. Prior to 1912 the largest production of coal in Missouri was in 1903, when it amounted to 4,238,586 tons, about 100,000 less than that of 1912.

Some interesting facts on the production of coal in Missouri in 1912 as compared to past years follow:

Coal mining in Missouri in 1912 gave employment to 9,704 men, who worked an average of 206 days, compared with 10,259 men and 182 days in 1911. The rate of production for each man is low, being 477 tons for the year and 2.17 tons for each day in 1912, and 374 tons for the year and 2.05 tons a day in 1911.

Since 1840, when the mining of coal in Missouri on an extensive scale commenced, 115,950,370 tons have been placed on the market. As vast as this amount seems to be, it is but a drop in a bucket when the amount of visible coal still unmined in Missouri is taken into consideration.

Nearly one-half (48 per cent in 1912) of Missouri's coal is "powder mined," and the pick mined coal is about half as much as that shot off the solid. In 1912, 2,083,656 short tons were shot off and 1,036,994 tons mined by hand. In this year a total of 55,022 working days were lost by strike or suspension, 952 men being idle for an average of fifty-eight days.

Information furnished for use in the coal bulletin is that twenty men were killed in Missouri coal mines in 1912, as compared with eight in 1911. Sixteen of the fatalities occurred underground. The death rate per one thousand employees was 2.06, as compared to .8 in 1911.

The coal fields of Missouri occupy the greater part of that portion of the state lying north and west of the line drawn from the northeast to the southwest corner. About twenty-five thousand square miles contain coal bearing formations, of which about 60 per cent are potentially productive under present conditions and will become available in the future.

Macon county holds first rank for the quantity and value of coal mined in Missouri in 1912, the output being 818,170 tons and the value \$1,251,755. The surplus shipped was 779,358 tons. The coal of Callaway county brought more per ton than did any of the other of Missouri's producing counties, the average price for the year being \$2.46 a ton.

PICTURES SHOWN

SOME OF COUNTY'S FINE STOCK ON SCREEN AT CINCINNATI.

GO ALL OVER COUNTRY

Adolph Lippman Sent Word of Pictures—Children's Parade Not In Them.

Some of Nodaway county's fine stock is in the Pathe moving pictures which will be shown in the moving picture theaters all over the country. Such was the word received today from Cincinnati, Ohio, where the pictures were shown this week at one of the theaters there.

Adolph Lippman, who is now visiting in that city, sent the word back to Maryville of the pictures. J. F. Roelofson has some of his fine Percheron horses in the picture, also Charles D. Bellows has some of his fine Short Horn cattle, and F. P. Robinson some Poland-China hogs. These pictures were taken recently by a representative of the Pathe company, E. B. Steen, who was in Maryville during the fall festival. None of the features of the fall festival events or of the children's parade that day are in the Pathe series, as they were not acceptable.

Mr. Lippman in writing to Mr. Roelofson, says: "Permit me to congratulate you. Yourself and gray stallion looked very familiar to me on the screen of one of the most prominent moving picture theatres in Cincinnati. Yours for still greater success, Adolph Lippman."

WILL RECEIVE \$2,704.30.

County Foreign Insurance Money—Maryville Will Get About \$400.

Nodaway county will receive \$2,704.30 as her share of the State Foreign Insurance money, the apportionment being made on the enumeration, Nodaway county having 7,959 children enumerated and for each child the state pays a fraction under forty. Such notice of the apportionment for this county was received by County Clerk George W. Demott this week and requisition on the state treasurer for that amount was made by the county court which is in session today.

Maryville will receive from this amount about \$400 which will go into the general revenue fund of the city. Other towns in the county will also receive their share, based on the enumeration in those towns. The remainder of the fund goes into the county treasury.

The county court is in session today for the purpose of making a careful survey of the county school loans. They will examine all of the loans to see if the taxes are paid and the insurance kept up. This is done once a year in order that the court may keep in touch with these loans.

A CIVIL SERVICE EXAMINATION.

Will Be Held at Arkeo on Saturday, November 22, to Select the Postmaster.

A civil service examination will be held at Arkeo on Saturday, November 22, as a result of which it is expected to make certification to fill a contemplated vacancy in the position of fourth class postmaster at that place. The salary of the postmaster at that place was \$285 the past year. Barton L. Monroe is at present postmaster of Arkeo.

The age limit is 21 years and the examination is open to all citizens of the United States who can comply with the requirements and are residents within the territory supplied by that post-office.

Applications should be properly executed and filed with the commission at Washington at least seven days before the date of the examination, otherwise it may be impracticable to examine the applicants.

Talking of Paving in Hopkins.

The Hopkins Journal says there is now talk among those in authority about paving the business streets of Hopkins, and many of the property owners have manifested a desire that the plan be carried out. It is now too late to agitate the proposition this fall, but the matter may be taken up in the spring. Of course, if a majority of the property owners or any great number of them are against paving it will be dropped.

On Trip to Lawrence.

Marcia Roxanne Cutler went to St. Joseph Thursday morning, where she will meet her step-father, R. D. Campbell of Chicago, and accompany him on a short trip into Kansas. She will be the guest of his niece, a student at the state university at Lawrence, Kan., over Saturday and Sunday.

Mr. and Mrs. James B. Robinson went to St. Joseph Thursday morning to visit a day with Rev. and Mrs. C. M. Chilton.

BANK SUED FOR \$993.

Firm of Young & Woodard, Formerly of This City, But Now of Creston, Bring Suit Against Bank.

The following from the Creston Advertiser will be of interest to Maryville people, as both Charles C. Young and O. A. Woodard are former residents of this city:

The firm of Young & Woodard, contractors and builders, composed of C. C. Young and O. A. Woodard, has sued the Citizens bank of Lorimer for the sum of \$993.96, alleging that the banking institution cashed checks to that amount given by an agent of the plaintiff company without authority from the plaintiffs. The papers in the case were filed in Union county district court at Creston today.

The petition states that H. J. Besant was placed in charge of certain work contracted for by the plaintiff company, in the town of Lorimer, in the way of erecting certain buildings, and that the said H. J. Besant had the control and overseeing of the work to be done on behalf of the plaintiffs. That afterward, on August 7, 1913, the plaintiffs deposited in the bank of the defendant a large sum of money, to-wit, the sum of \$1,995, and later other sums of money amounting in all to \$9,295.

That in the course of business carried on by the plaintiffs in Lorimer it became and was the duty of said H. J. Besant to furnish weekly to plaintiffs the amount of time put in by each of the workmen, and the amount of material received for the purpose of carrying on the work, and that thereafter the plaintiffs issued checks to pay the several employees and to pay for the material, and delivered them to H. J. Besant to be used in payment for the same. It is further alleged that the said H. J. Besant signed checks without authority from the plaintiffs, and that the bank cashed them. It is further alleged that H. J. Besant did draw sundry checks signed by himself as agent for the plaintiffs and gave them out in payment in part of bill owed by himself, and that the bank did negligently, carelessly, and wrongfully and unlawfully pay the same.

It is alleged that the total amount of the checks given without authority of the plaintiffs was \$993.96, and for which amount the plaintiffs demand judgment.

DIES FROM BURNS

MRS. BERT JENKINS DIED AT 6 P. M. WEDNESDAY.

CONSCIOUS UNTIL END

Coal Oil Exploded, Setting Her Clothes on Fire—House Burned to the Ground.

Mrs. Bert Jenkins of near Braddyville, Ia., who was burned so badly Wednesday morning from a coal oil explosion, died Wednesday evening between 6 and 7 o'clock.

The house and all its contents burned to the ground. No effort was made to save the house, as every effort was put forth to relieve the suffering of the unfortunate woman.

Mrs. Jenkins remained conscious until her death and was able to tell how the accident happened.

She was doing the family washing and to hurry the fire, which she thought had died out, she put in kerosene and coal and poured some coal oil on the coal in the cook stove, and had the match in her hand ready to light the kindling.

But there were some live coals in the stove and the explosion followed instantly, the flames enveloping her and leaping up the kitchen walls.

She ran to the bed room and sprang into the bed and drew a quilt around her, but the burns were so severe that her fright so great that she could not keep from running out doors and screaming for help, soon after she had sought refuge there.

By this time the whole interior of the house was in flames, and as she went through them her clothing again ignited and the wind fanned the flames as she ran out into the yard screaming for her husband.

Her cries were heard by Mr. Jenkins' father and mother, who live a short distance away. Her husband was digging potatoes in a field some distance from the house and could not hear her. Others heard her screams and ran to her assistance. She was taken to the home of the senior Jenkins and physicians summoned.

It was realized at once her burns were fatal and no attention was paid to the burning residence and no effort made to put out the fire and every vestige of it and its contents were burned.

Mrs. Jenkins' hands were burned to the bone, and the only complaint she made was concerning the pain her hands caused her. Her most severe burns and those causing her death were across her abdomen and her back, but she seemed unconscious of them. Other portions of her body were burned. There were a few slight blisters on her face and her hair was singed a little.

Mrs. Jenkins was in the house alone when the accident occurred. Her oldest child was making her home with her grandparents, near Graham, and attending school in that town. The next child had gone with his father to the field to dig potatoes. The baby had been taken by her aunt, near Clearmont, to keep for the day, until she had finished her washing. Mrs. Jenkins was about 26 years old. The funeral services will be held at the home of Mr. and Mrs. Lewis Jenkins at 1 o'clock Friday afternoon and will be conducted by Rev. Polly of the Christian church of Skidmore. Burial will take place at Quitman.

THE RODERICKS HAVE A HOUSE.

Place on East Fourth Street for \$9.50 Per Month—Response Keeping Up.

A house has been secured for Lewis Roderick and his family, whose condition has been the object of much concern during the past three days. It is on East Fourth street, the first property west of W. H. Collins. It will be a comfortable home for them. The rent is \$8.50 per month. Response to calls for help for them have been splendid and a credit to the community, and it is hoped it will continue until they are entirely relieved.

Card of Thanks.

We wish to express our sincere gratitude to our neighbors and friends for their many acts of kindness in our sorrow caused by the loss of our darling wife, daughter and sister, Katharine Baker. We are deeply indebted to you all.

Voted \$5 to Charity.

At the meeting of the Woodmen Circle Wednesday evening, \$5 was voted to the charity board of this city, to assist in relieving the wants of the needy. Four new members were voted in, Mrs. Harvey Clark, Mrs. Charles Culverson, Mrs. A. T. Fisher and Miss Ethel Bramble.

To District Missionary Conference.

Mrs. E. B. Sheldon and Mrs. Del Thompson went to St. Joseph Thursday morning to attend the missionary conference of the M. E. church, South St. Joseph district. Mrs. Sheldon will conduct an institute on mission study Friday afternoon, on the subject of "Christian Stewardship."

Will Attend Reception.

Mr. and Mrs. J. H. Woodburn and son went to Savannah Wednesday morning to be present at the reception at the home of Mr. and Mrs. W. M. Ingram, given in honor of their son, Ernest C. Ingram, and his bride, who have just returned from their honeymoon trip in Denver and Colorado Springs, Col., and Lincoln, Neb. The bride, formerly Miss Bertha Hale of Barnard, is a sister of Mrs. Woodburn.

Sewed Carpet Rags.

The Ladies' Aid society of the M. E. church of Parnell met at the home of Mrs. J. H. Herndon Wednesday afternoon and spent the time sewing carpet rags. The hostess served a dainty luncheon. Those present were Mrs. John Kennedy, Mrs. Charles Evans, Mrs. C. C. Evans, Mrs. S. D. Moody, Mrs. Jack Milligan, Mrs. J. E. Barber, Mrs. John Murdock, Mrs. Bird Frank, Mrs. Mary Thompson, Mrs. Harve Thompson, Miss Ella Collins, Mrs. Ella Stephens, Mrs. Frank Barber, Mrs. James Hutchison, Mrs. John Blackburn, Mrs. H. H. Conrad, Mrs. Cyrus Lyle, Mrs. James LaFavor, Mrs. John Dinsmore, Mrs. Mark Barkman.

In Honor of Miss Kirch.

Miss Mayme Linneman entertained at four-handed euchre and luncheon Wednesday evening, complimentary to Miss Bertha Kirch, who will leave in about two weeks for Casper, Wyo., to spend the winter with her brother. The prizes, a handkerchief and a necktie, went to the honor guest and Mr. Edward Goetze, Miss Kirch cutting for the prize with Miss Rose Schumacher. The guests were Miss Kirch, Miss Agatha Kirch, Misses Katherine and Teresa Yehle, Miss Hilda Lahr, Miss Elizabeth Heffern, Misses Lenore and Rose Schumacher, Messrs. Will Blatter, Edward Goetze, Anselm Schumacher, Paul Basford, Louis Gram, Edward and Herman Binneman.

Reception to New Pastor.

The reception at the Methodist church in Pickering Tuesday evening to the new pastor and his wife, Rev. and Mrs. S. P. Stillman, was largely attended. The reception was given under the direction of the social department of the Epworth League, of which Miss Golda Roach is chairman. The

ONE DOSE RELIEVES
A COLD—NO QUININE

"Pape's Cold Compound" Makes You Feel Fine at Once—Don't Stay Stuffed-Up! Take It Now.

Relief comes instantly.

A dose taken every two hours until three doses are taken will end gripe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffing! Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine.—Advertisement.

church was decorated in the league colors, red and white, and potted plants and cut flowers in the same colors were used. Punch was served from the two tables by Miss Rachael Watson, Miss Mabel Clayton, Miss Hazel Richard and Miss Avis Hackett, all gowned in the league colors. An informal program was given, consisting of music by the Sunday school orchestra and address of welcome by Roland Wray, piano duet by Mabel and Nellie Clayton, a welcome address from the Christian church people by the people, Rev. E. W. Killian, a vocal solo by Miss Beulah Everhart and the response to the welcome addresses by Rev. Stillman. An enjoyable social time followed.

Gave a Halloween Party.

Miss Mayme Tilson entertained the members of the Jewel Art club Wednesday evening at the home of her parents, Mr. and Mrs. W. R. Tilson. The club was expecting to spend the evening with their usual needlework, but their hostess, assisted by her mother and brother and Miss Hazel Gove, had quite a surprise for them, in the way of a genuine Halloween party. The guests were received at the door by a ghost, who directed them to the dining room, where another ghost pointed the way upstairs. Arriving upstairs, a very real looking Halloween witch was there to receive them and tell their fortunes, which she did to the satisfaction of everybody. The house was lighted throughout with jack-o'-lanterns. The surprise was given by the hostess as a sort of house warming, as the family is just now nicely settled in their new home on East First street. Progressive dominoes was played, the prizes going to Miss Agnes Brewer and Miss Maggie Allen. A Halloween luncheon was served, consisting of cider, pumpkin pie, doughnuts, sandwiches and pickles. The fortune teller, Miss Mar'e Grundy, was kept busy most of the evening, for who would not know what the future has in store for her? The guests of the club were Misses Mary Stinson, Mar'e Grundy, Lois Carter, Agnes Brewer and Doris Cummings. The members of the club are Misses Bernice East, Cleo Grundy, Mildred and Lois Cummings, Hazel Gove, Hazel Martin, Angie Vanhorn, Mayme Brewer, Ola and Ora King, Maggie, Dora and Daisy Allen and Mayme Tilson.

Mrs. L. C. Widner and Miss Audrey Widner returned to their home in Bedford Wednesday. Miss Audrey underwent an operation for appendicitis two weeks ago and is now fully recovered.

An Open Letter
From Berney Harris

To the Men and Young Men
of Nodaway County—

Why delay another day in selecting your Fall Suit and Overcoat? It's just a matter of a few days when you are going to actually want that Suit or Overcoat and the benefits of early selection are so certain that you really ought not delay another day.

Why not take advantage of the large assortment we have before the prettiest patterns are gone? You might as well choose from the greatest variety. The Suit or Overcoat you may admire today is apt to be gone tomorrow.

The beautiful three-quarter or full length Overcoats, heavy materials, graceful Shawl Collars, assure a handsome appearance, as well as being warm and comfortable.

Our Policy has been, and always will be,
The Utmost Value at Any Price.

We aim to make your clothes money go farthest and to your greatest satisfaction. You know that at Berney Harris', Quality, Value and Satisfaction are assured—in fact, GUARANTEED.

This is a store of Clothing Insurance. You can't go wrong, because the wrong thing isn't here.

TAKES OFF DANDRUFF HAIR STOPS FALLING

Girls! Try This! Makes Hair Thick, Glossy, Fluffy, Beautiful—No More Itching Scalp.

Within ten minutes after an application of Danderine you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.—Advertisement.

Sick Headache, Bad Breath, Sour Stomach, Measly Liver and Bowels Clogged—Clean Up Tonight.

Get a 10-cent box now.

Furred tongue, bad taste, indigestion, sallow skin and miserable headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to until misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating! A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.

HUNDREDS BURIED BY MINE EXPLOSION

Between 230 and 280 Entombed in New Mexico Colliery.

Denver, Oct. 23.—Between 230 and 280 miners were entombed by an explosion in mine No. 2 of the Stag Canon Fuel company at Dawson, N. M. The entombed men included General Superintendent Frank McDermott of the mine and several other American miners. The cause of the explosion is unknown.

Meager advices were that only five miners had been taken from the upper levels alive. These reports stated that most of the day shift were employed below the second level, where the shaft was blocked with debris resulting from the explosion. Accounts from Dawson and Raton were uncertain as to the possibility of rescuing any.

A statement issued from the headquarters of the Phelps-Dodge company at El Paso expressed hope that most of the entombed men would be found alive.

This belief was based on the fact that the workings of No. 2 mine are connected by a tunnel with mine No. 5, while an airshaft is said to furnish another means of exit.

Immediate relief work was undertaken by men from the night shift and neighboring mines. Appeals for aid started scores of experienced miners from Trinidad and the surrounding coal camps.

KOPP WILL NOT WITHDRAW

Republican Refuses to Stand Aside to Aid Sulzer's Fight.

New York, Oct. 23.—William Sulzer, deposed governor of New York, faces a three-cornered fight for election to the assembly from the Sixth district, the Republican candidate, Harry Kopp, declaring emphatically that he had never promised to withdraw from the race and did not intend to do so. The district is normally Republican, and Kopp, the incumbent of the office, had been nominated for reelection. Sulzer's acceptance of the Progressive nomination for the office is characterized as a breach of faith in a statement issued by Kopp, an affront to the voters of the district and as a fight for vindication rather than a fight to represent the residents of the Sixth district.

Senate Saves Woman's Home.

Washington, Oct. 23.—A woman's efforts to save her home again prevailed when the senate repassed the so-called Corbett tunnel appropriation, awarding \$15,750 to claimants for labor and material furnished on the Hoshone irrigation project in Wyoming. The appropriation was not referred to committee and many senators spoke of the patience and hard work of Mrs. Catherine MacDonald of Butte, Mont., whose entire fortune is dependent on the legislation. President Taft vetoed the bill last year.

THE JURY GAVE ADA STOCKTON JUDGMENT FOR \$2,438.66.

NEW TRIAL OVERRULED

A. O. Mason's Appeal Was Set Aside—Other Cases Disposed of—Court Again October 30.

The jury in the case of Benjamin Hutchinson against Ada Stockton, nee Long, on which the plaintiff was suing to have a judgment set aside, returned a verdict late Wednesday afternoon for the defendant and assessed her damages at \$2,000 with 6 per cent interest from February 26, 1910, or amounting to \$2,438.66. The verdict was signed by nine men out of the twelve.

Other cases up before the court Wednesday were as follows:

Rockwell Bros. & Co., vs. O. A. Simmons et al., to cancel deed, plaintiff's motion for rehearing overruled. Plaintiff's file affidavit for appeal.

George W. Lieber and Margaret B. Lieber, Mary J. Holmes and Oliver L. Holmes and Laurana C. Lieber vs. Chloe L. Craig, partition, by consent of all parties and no objections to commissioner's report being filed, the report of commissioners is in all respects approved and confirmed.

W. T. Jackson vs. G. W. Anderson, attachment, change of venue granted on defendant's motion and case sent to Andrew county.

The Peoples bank of Maitland, interpleaded in case of W. T. Jackson vs. G. W. Anderson, interplea, by agreement of parties, the order heretofore made granting an appeal is set aside.

Charles Hessler, interpleader in case of W. T. Jackson vs. G. W. Anderson, interplea, by agreement interpleader disallows suit at W. T. Jackson's cost.

First National Realty and Loan Co. and James L. Ballard vs. A. O. Mason, damages, defendant's motion for a new trial is overruled. Plaintiff files motion for judgment for treble damages, which is overruled. The jury having found for the plaintiffs in the sum of \$300, judgment ordered for that amount. But plaintiff and defendant file affidavit for appeal to Kansas City court of appeals, which is allowed and defendant's appeal bond fixed at \$600.

Jerry Edwards vs. Martha E. Schaaf et al., contract, plaintiff files motion to set aside order striking cause from the docket.

Court adjourned to meet again October 30. Judge Peery of Albany will come on October 31 to sit as special judge in the case of Elizabeth Growney vs. Patrick J. O'Donnell et al., to set aside deed.

SLIT SKIRTS ARE HEALTHY.

So Says a U. S. Health Officer—Warns Women Not to Wear Too Much.

The slit skirt was given an official approval by one of the officials of the marine hospital and public health service at Washington, D. C.

"Women wear too many clothes in winter, anyway," says Assistant Surgeon General Rucker, who today prescribes a few fall and winter health hints for the populace.

"Don't overload your body with heavy garments," he advises. "Slit skirts and diaphanous gowns are not menaces to health in cold weather. On the contrary, the woman who wears the present styles will be less liable to catch cold than one who crowds her body with heavy woollens the first chilly day."

"To prevent winter colds, dress warmly and comfortably, but don't wear too many clothes. This, of course, does not apply to overcoats and outer garments. Dress according to your particular climate, and your usual fall and winter colds are not liable to appear."

"Persons who are not in the open air in the day should specially guard against heavy underwear," said Dr. Rucker. "Heavier warmth when out of doors will equalize the temperature of the body. Cold feet are always dangerous."

He also repeated the established warning about sleeping in stuffy rooms and declared that the open window bed room, no matter how cold, is always a preventive of bad colds and pneumonia.

And here's a way to cure a cold in its early stages:

"When you feel a cold coming on, go into a room, open all the windows and disrobe. The cold air won't hurt you. Take a stiff brush and rub your body until it glows all over. The cold will go away."

Visiting St. Joseph Schools.

Superintendent W. W. Westbrook of the Maryville schools went to St. Joseph Thursday morning to visit the schools of that city as the guest of Superintendent J. A. Whiteford.

Schools Closed at Stanberry.

The schools are now closed at Stanberry on account of several cases of diphtheria in that town.

THE BONDS WERE SOLD.

Hopkins Has Disposed of Her Water Bond Issue of \$12,000, Receiving Premium of \$155.

The \$12,000 water bond issue of Hopkins was sold this week by the city council of that place to Compton & Co. of St. Louis, this firm paying a premium of \$155 for the bonds, which are to draw 6 per cent interest. The Journal had the following to say in regard to the sale in this week's issue:

There were five bids, one bid at par, one at \$37, one at \$55, one at \$47 and the \$155 bid.

The bonds are to be in \$500 denominations and are to fall due one each year from 1917 to 1924, the last one falling due in 1932.

The city thinks it has made a good sale of the bonds, the same company paying Maitland only a premium of \$36 on \$15,000 worth of bonds.

Bids for digging the well and building the pump house will be opened October 31, and by December 1 everything will be in readiness to begin work on the system if the weather will permit. If it should turn bad, work will not begin until next spring, and in selling the bonds the city got the purchasers to agree to pay 4 per cent on the money until next January, provided it is not needed here before that time.

THE BAKER FUNERAL.

Rev. S. D. Harkness Officiated at Services at Christian Church.—Burial at St. Mary's Cemetery.

The funeral services for Mrs. W. C. Baker of St. Joseph, a daughter of Mr. and Mrs. William Langan of this city, who died Sunday night at St. Francis hospital, were held Wednesday afternoon at the First Christian church, Rev. S. D. Harkness of the First Presbyterian church conducting the service. Many friends of the family were in attendance.

Mrs. F. P. Robinson sang the solo, "Crossing the Bar," by Ferris. A quartet composed of Mrs. Robinson, Mrs. J. D. Richey, Harry Mutz and W. E. Goforth sang two numbers, "Come Unto Me" and "In the Hour of Trial." Interment took place in St. Mary's cemetery, with Rev. Father Willbrod of St. Mary's Catholic church officiating. The pall bearers were Arch K. Frank, Ernest Welborn, Brint Embree, Emmett Scott, Will G. Sawyers and Frank L. Garrett.

Many beautiful floral offerings attested the love and esteem in which the young woman was held in her old home. The casket was covered with Killarney roses, and these lovely tributes will be a bright memory of the past few days for those who are bereaved, especially for the little 5-year-old daughter, who does not yet understand her loss.

Out-of-town relatives here were Edward Ginzkey of St. Joseph, Nicholas Baker of Tea, S. D., and J. P. McManus of Quitman.

Operation Was Successful.

Rev. Samuel D. Harkness received a telegram last night from Mrs. Harkness, who is in Chicago, saying that an operation performed on their baby, John, is entirely successful. The baby was born with a defective palate which might have prevented perfect speech, but the operation remedies the defect. Dr. Brophy who is considered the best throat specialist in this country performed the operation. Mrs. Harkness expects to return home in about two weeks.

Miss Mary Carter, who teaches near Burlington Junction, went to her home near Barnard Thursday for a short stay.

GAVE FIRST TALK

DR. DODDS LECTURED AT FIRST M. E. CHURCH LAST NIGHT.

ATTENTIVE AUDIENCE

His Lecture Was Very Interesting—Will Deliver a Series of Them in Maryville.

Dr. Samuel Dodds of Butler, Pa., gave his first talk of a series of Bible lectures at the First M. E. church on Wednesday evening to a good sized congregation. Dr. Dodds comes for the union revival meetings of the Presbyterian and First M. E. churches of this city, and will give a series of lectures on the Bible until November 2.

The general subject for the evening lectures will be given over to the Gospel of Luke. Afternoon meetings will also be held at the First M. E. church during the meetings at 3 o'clock, and Dr. Dodds will talk on "The Mosaic Institutions." The first afternoon meeting was held this afternoon.

The opening lecture Wednesday night was very interesting and was well listened to. He spoke of the opening chapter of Luke. If the first meeting is any indication, the revival effort will be a success.

This evening Dr. Dodds will take for his subject the second chapter of Luke. Special music will be given by the combined choirs of the First M. E. and Presbyterian churches. The pastors of both of these churches, Rev. G. S. Cox and Rev. S. D. Harkness, extend a cordial invitation to all church people and also to all others in the city to attend these lectures, as no church doctrine is preached, as the meetings are more for the intellectual apprehension of Bible truth and its spiritual application to the student and the times.

Rev. Harkness, in speaking of Dr. Dodds, says: "It seems to me that Dr. Dodds is even better in the present exposition of the Gospel than he was a year ago in his teachings of the Gospel of John. The deep attention with which he is greeted shows that our people are awakened to the need of knowledge of the Bible."

147 APPLY FOR JOBS AT FAIR.

Major Plans to Advertise State by Moving Pictures at San Francisco Exposition.

Jefferson City, Mo., Oct. 22.—There are 147 applicants of all political faiths for appointment on the Panama-Canal exposition commission.

The commission to prepare and look after the Missouri exhibit will consist of five members, not more than three of whom shall belong to any one political party. Governor Major said that he will name the commission within two weeks and that he will select three Democrats, one Republican and one Progressive.

The last legislature appropriated \$100,000 for this exhibit. Members of the commission will be paid \$5 a day and actual expenses while engaged in their official capacity.

A secretary of the commission will be selected from the membership of the body.

Governor Major said that he will establish an innovation in exposition exhibits at San Francisco. In the Missouri building there will be a large assembly hall in which moving pictures will show the great and diversified interests of the state.

"It will cost the state but very little to procure moving pictures, showing our fine herds of cattle and our great fields of wheat, corn and other staple crops," he said.

"We could show also our great and varied industries, the mines and the manufactures, and our splendid educational and eleemosynary institutions. These could be diversified by films portraying the beauties of the scenery of the Ozarks."

"In my judgment no more effective way of advertising our resources could be devised. A daily show of this kind would attract more people than any other kind of an exhibit."

The governor's idea is to have the moving pictures in addition to the usual display of products.

Several thousand specimens already have been gathered, prepared and stored in Columbia under the direction of the governor for use in the Missouri collection at the fair.

As soon as the commission is named plans for the Missouri building will be made and it will be erected early next year.

Is Attending Meeting.

C. E. Wells, librarian at the State Normal, is attending the joint meeting of the Missouri and Kansas Library association in St. Joseph this week.

Bought the Ford Farm.

A. C. Ford of this city sold his 139-acre farm, south of Hopkins, to W. W. Alexander and Eber Collins. The consideration was \$10,000.

BOOHER IN THE CITY.

The Congressman From This District Visited Maryville This Afternoon.

Congressman Charles F. Booher of Savannah was in Maryville this afternoon. He made a visit to the new postoffice building and called on many friends here. He was also seen by many leaders and all of the postoffice applicants were busy.

SUSPENDED CORPORATIONS.

A List of Those in Nodaway County Was Received From Secretary of State by Recorder Wray.

A list of the suspended corporations in Nodaway county during the past year was received Thursday by Recorder J. A. Wray from Secretary of State Cornelius Roach. The copy is posted in Recorder Wray's office, under the provisions of the new corporation supervision act passed by the last general assembly.

The following are the suspended corporations:

Lead Mountain Mining company of Maryville; Maryville Water company; Maryville Manufacturing company; Mineral Springs Sanitarium company of Burlington Junction; Nodaway Valley Oil, Gas and Mineral company of Burlington Junction; Northwestern Oil and Mineral company of Quitman; Maryville Mercantile company; Maryville Creamery company, and Nodaway Commission company.

The following are the foreign corporations suspended: Minnesota, Iowa and Gulf Railroad company of Maryville; City Water company of Maryville, and the Elmo Improvement and Business company.

COAL HERE FOR 9,200 YEARS.

Missouri Supply Will Last Long at Present Mining Rate.

The visible and unknown coal supply of Missouri amounts to 39,854,000 short tons, which, at the present rate of consumption, will last 9,200 more years, or until the year of 11,113, according to information furnished to Commissioner John T. Fitzpatrick of the bureau of labor statistics which was imparted today in a bulletin entitled "Missouri's Visible Coal Supply, the Yearly Output."

In the same bulletin the announcement is made that the 1912 output of Missouri amounted to 4,339,856 short tons, consisting of 4,322,116 tons of bituminous, 14,157 tons of block and 3,583 tons of cannel coal, valued at \$7,633,894. It was the highest production of any single year dating from 1840, when extensive mining of coal for commercial purposes commenced in Missouri. This was an increase of 503,749 tons, or 13.13 per cent, in quantity and of \$1,030,798, or 15.61 per cent, in value over 1911, when the production amounted to 3,836,107 short tons, valued at \$6,603,066. Prior to 1912 the largest production of coal in Missouri was in 1903, when it amounted to 4,238,586 tons, about 100,000 less than that of 1912.

Some interesting facts on the production of coal in Missouri in 1912 as compared to past years follow:

Coal mining in Missouri in 1912 gave employment to 9,704 men, who worked an average of 206 days, compared with 10,259 men and 182 days in 1911. The rate of production for each man is low, being 477 tons for the year and 2.17 tons for each day in 1912, and 374 tons for the year and 2.05 tons a day in 1911.

Since 1840, when the mining of coal in Missouri on an extensive scale commenced, 115,950,370 tons have been placed on the market. As vast as this amount seems to be, it is but a drop in a bucket when the amount of visible coal still unmined in Missouri is taken into consideration.

Nearly one-half (48 per cent in 1912) of Missouri's coal is "powder mined," and the pick mined coal is about half as much as that shot off the solid. In 1912, 2,083,656 short tons were shot off and 1,036,994 tons mined by hand. In this year a total of 55,022 working days were lost by strike or suspension, 952 men being idle for an average of fifty-eight days.

Information furnished for use in the coal bulletin is that twenty men were killed in Missouri coal mines in 1912, as compared with eight in 1911. Sixteen of the fatalities occurred underground. The death rate per one thousand employees was 2.66, as compared to .8 in 1911.

The coal fields of Missouri occupy the greater part of that portion of the state lying north and west of the line drawn from the northeast to the southwest corner. About twenty-five thousand square miles contain coal bearing formations, of which about 60 per cent are potentially productive under present conditions and will become available in the future.

Macon county holds first rank for the quantity and value of coal mined in Missouri in 1912, the output being 818,170 tons and the value \$1,251,755. The surplus shipped was 779,358 tons. The coal of Callaway county brought more per ton than did any of the other of Missouri's producing counties, the average price for the year being \$2.46 a ton.

PICTURES SHOWN

SOME OF COUNTY'S FINE STOCK ON SCREEN AT CINCINNATI.

GO ALL OVER COUNTRY

Adolph Lippman Sent Word of Pictures—Children's Parade Not in Them.

Some of Nodaway county's fine stock is in the Pathe moving pictures which will be shown in the moving picture theaters all over the country. Such was the word received today from Cincinnati, Ohio, where the pictures were shown this week at one of the theaters there.

Adolph Lippman, who is now visiting in that city, sent the word back to Maryville of the pictures. J. P. Roelofson has some of his fine Percheron horses in the picture, also Charles D. Bellows has some of his fine Short Horn cattle, and F. P. Robinson some Poland-China hogs. These pictures were taken recently by a representative of the Pathe company, E. B. Steen, who was in Maryville during the fall festival. None of the features of the fall festival events or of the children's parade that day are in the Pathe series, as they were not acceptable.

Mr. Lippman in writing to Mr. Roelofson, says: "Permit me to congratulate you. Yourself and gray stallion looked very familiar to me on the screen of one of the most prominent moving picture theatres in Cincinnati. Yours for still greater success, Adolph Lippman."

WILL RECEIVE \$2,704.30.

County Foreign Insurance Money—Maryville Will Get About \$400.

Nodaway county will receive \$2,704.30 as her share of the State Foreign Insurance money, the apportionment being made on the enumeration. Nodaway county having 7,559 children enumerated and for each child the state pays a fraction under forty. Such notice of the apportionment for this county was received by County Clerk George W. Demott this week and requisition on the state treasurer for that amount was made by the county clerk which is in session today.

Maryville will receive from this amount about \$400 which will go into the general revenue fund of the city. Other towns in the county will also receive their share, based on the enumeration in those towns. The remainder of the fund goes into the county treasury.

The county court is in session today for the purpose of making a careful survey of the county school loans. They will examine all of the loans to see if the taxes are paid and the insurance kept up. This is done once a year in order that the court may keep in touch with these loans.

A CIVIL SERVICE EXAMINATION.

Will Be Held at Arkoe on Saturday, November 22, to Select the Postmaster.

A civil service examination will be held at Arkoe on Saturday, November 22, as a result of which it is expected to make certification to fill a contemplated vacancy in the position of fourth class postmaster at that place. The salary of the postmaster at that place was \$285 the past year. Barton L. Monroe is at present postmaster of Arkoe.

The age limit is 21 years and the examination is open to all citizens of the United States who can comply with the requirements and are residents within the territory supplied by that post-office.

Applications should be properly executed and filed with the commission at Washington at least seven days before the date of the examination, otherwise it may be impracticable to examine the applicants.

Talking of Paving in Hopkins.

The Hopkins Journal says there is now talk among those in authority about paving the business streets of Hopkins, and many of the property owners have manifested a desire that the plan be carried out. It is now too late to agitate the proposition this fall, but the matter may be taken up in the spring. Of course, if a majority of the property owners or any great number of them are against paving it will be dropped.

On Trip to Lawrence.

Marcia Roxanne Cutler went to St. Joseph Thursday morning, where she will meet her step-father, R. D. Campbell of Chicago, and accompany him on a short trip into Kansas. She will be the guest of his niece, a student at the state university at Lawrence, Kan., over Saturday and Sunday.

Mr. and Mrs. James B. Robinson went to St. Joseph Thursday morning to visit a day with Rev. and Mrs. C. M. Chilton.

BANK SUED FOR \$993.

Firm of Young & Woodard, Formerly of This City, But Now of Creston, Bring Suit Against Bank.

The following from the Creston Advertiser will be of interest to Maryville people, as both Charles C. Young and O. A. Woodard are former residents of this city:

The firm of Young & Woodard, contractors and builders, composed of C. C. Young and O. A. Woodard, has sued the Citizens bank of Lorimor for the sum of \$993.96, alleging that the banking institution cashed checks to that amount given by an agent of the plaintiff company without authority from the plaintiffs. The papers in the case were filed in Union county district court at Creston today.

The petition states that H. J. Besant was placed in charge of certain work contracted for by the plaintiff company, in the town of Lorimor, in the way of erecting certain buildings, and that the said H. J. Besant had the control and overseeing of the work to be done on behalf of the plaintiffs. That afterward, on August 7, 1913, the plaintiffs deposited in the bank of the defendant a large sum of money, to-wit, the sum of \$1,995, and later other sums of money amounting in all to \$9,295.

That in the course of business carried on by the plaintiffs in Lorimor it became and was the duty of said H. J. Besant to furnish weekly to the plaintiffs the amount of time put in by each of the workmen, and the amount of material received for the purpose of carrying on the work, and that thereafter the plaintiffs issued checks to pay the several employees and to pay for the material, and delivered them to H. J. Besant to be used in payment for the same. It is further alleged that the said H. J. Besant signed checks without authority from the plaintiffs, and that the bank cashed them. It is further alleged that H. J. Besant did draw sundry checks signed by himself as agent for the plaintiffs and gave them out in payment in part of bill owed by himself, and that the bank did negligently, carelessly, and wrongfully and unlawfully pay the same.

It is alleged that the total amount of the checks given without authority of the plaintiffs was \$993.96, and for which amount the plaintiffs demand judgment.

WAS IN MARYVILLE TODAY.

DIES FROM BURNS

MRS. BERT JENKINS DIED AT 6 P. M. WEDNESDAY.

CONSCIOUS UNTIL END

Coal Oil Explored, Setting Her Clothes on Fire—House Burned to the Ground.

Mrs. Bert Jenkins of near Braddyville, Ia., who was burned so badly Wednesday morning from a coal oil explosion, died Wednesday evening between 6 and 7 o'clock.

The house and all its contents burned to the ground. No effort was made to save the house, as every effort was put forth to relieve the suffering of the unfortunate woman.

Mrs. Jenkins remained conscious until her death and was able to tell how the accident happened.

She was doing the family washing and to hurry the fire, which she thought had died out, she put in kerosene and coal and poured some coal oil on the coal in the cook stove, and had the match in her hand ready to light the kindling.

But there were some live coals in the stove and the explosion followed instantly, the flames enveloping her and leaping up the kitchen walls.

She ran to the bed room and sprang into the bed and drew a quilt around her, but the burns were so severe and her fright so great that she could not keep from running out doors and screaming for help, soon after she had sought refuge there.

By this time the whole interior of the house was in flames, and as she went through them her clothing again ignited and the wind fanned the flames as she ran out into the yard screaming for her husband.

Her cries were heard by Mr. Jenkins' father and mother, who live a short distance away. Her husband was digging potatoes in a field some distance from the house and could not hear her. Others heard her screams and ran to her assistance. She was taken to the home of the senior Jenkins and physicians summoned.

It was realized at once her burns were fatal and no attention was paid to the burning residence and no effort made to put out the fire and every vestige of it and its contents were burned.

Mrs. Jenkins' hands were burned to the bone, and the only complaint she made was concerning the pain her hands caused her. Her most severe burns and those causing her death were across her abdomen and her back, but she seemed unconscious of them. Other portions of her body were burned. There were a few slight blisters on her face and her hair was singed a little.

Mrs. Jenkins was in the house alone when the accident occurred. Her oldest child was making her home with her grandparents, near Graham, and attending school in that town. The next child had gone with his father to the field to dig potatoes. The baby had been taken by her aunt, near Clearmont, to keep for the day, until she had finished her washing. Mrs. Jenkins was about 25 years old. The funeral services will be held at the home of Mr. and Mrs. Lewis Jenkins at 1 o'clock Friday afternoon and will be conducted by Rev. Polly of the Christian church of Skidmore. Burial will take place at Quitman.

THE RODERICKS HAVE A HOUSE.

Place on East Fourth Street for \$8.50 Per Month—Response Keeping Up.

A house has been secured for Lewis Roderick and his family, whose condition has been the object of much concern during the past three days. It is on East Fourth street, the first property west of W. H. Collins. It will be a comfortable home for them. The rent is \$8.50 per month. Response to calls for help for them have been splendid and a credit to the community, and it is hoped it will continue until they are entirely relieved.

Card of Thanks.

We wish to express our sincere gratitude to our neighbors and friends for their many acts of kindness in our sorrow caused by the loss of our darling wife, daughter and sister, Katharine. Mrs. J. S. Ford.

Dark Days Coming!

With the shortening of the hours of daylight the strain upon the eyes becomes greater and the consequent effect upon the vision.

Have Your Eyes Examined NOW. Those just bordering upon the time when they need glasses will do well to attend to it at once, while those already wearing them should see to it that they still fit as they ought to. Good eyesight can be fostered just as you can preserve anything else with proper care.

ONE DOSE RELIEVES A COLD—NO QUININE

"Pape's Cold Compound" Makes You Feel Fine at Once—Don't Stay Stuffed-Up! Take It Now.

Relief comes instantly. A dose taken every two hours until three doses are taken will end gripe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffling! Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine.—Advertisement.

church was decorated in the league colors, red and white, and potted plants and cut flowers in the same colors were used. Punch was served from the two tables by Miss Rachael Watson, Miss Mabel Clayton, Miss Hazel Richard and Miss Avis Hackett, all gowned in the league colors. An informal program was given, consisting of music by the Sunday school orchestra and address of welcome by Roland Wray, piano duet by Mabel and Nellie Clayton, a welcome address from the Christian church people by the people, Rev. E. W. Killian, a vocal solo by Miss Beulah Everhart and the response to the welcome addresses by Rev. Stillman. An enjoyable social time followed.

Gave a Halloween Party.

Miss Mayme Tilson entertained the members of the Jewel Art club Wednesday evening at the home of her parents, Mr. and Mrs. W. R. Tilson. The club was expecting to spend the evening with their usual needlework, but their hostess, assisted by her mother and brother and Miss Hazel Gove, had quite a surprise for them, in the way of a genuine Halloween party. The guests were received at the door by a ghost, who directed them to the dining room, where another ghost pointed the way upstairs. Arriving upstairs, a very real looking Halloween witch was there to receive them and tell their fortunes, which she did to the satisfaction of everybody. The house was lighted throughout with jack-o'-lanterns. The surprise was given by the hostess as a sort of house warming, as the family is just now nicely settled in their new home on East First street. Progressive dominoes was played, the prizes going to Miss Agnes Brewer and Miss Maggie Allen. A Halloween luncheon was served, consisting of cider, pumpkin pie, doughnuts, sandwiches and pickles. The fortune teller, Miss Marle Grundy, was kept busy most of the evening, for who would not know what the future has in store for her? The guests of the club were Misses Mary Standon, Marle Grundy, Lois Carter, Agnes Brewer and Doris Cummings. The members of the club are Misses Bernice East, Cleo Grundy, Mildred and Lois Cummings, Hazel Gove, Hazel Martin, Angie Vanhorn, Mayme Brewer, Ola and Ora King, Maggie, Dora and Daisy Allen and Mayme Tilson.

Mrs. L. C. Widner and Miss Audrey Widner returned to their home in Bedford Wednesday. Miss Audrey underwent an operation for appendicitis two weeks ago and is now fully recovered.

An Open Letter From Berney Harris

To the Men and Young Men of Nodaway County—

Why delay another day in selecting your Fall Suit and Overcoat? It's just a matter of a few days when you are going to actually want that Suit or Overcoat and the benefits of early selection are so certain that you really ought not delay another day.

Why not take advantage of the large assortment we have before the prettiest patterns are gone? You might as well choose from the greatest variety. The Suit or Overcoat you may admire today is apt to be gone tomorrow.

The beautiful three-quarter or full length Overcoats, heavy materials, graceful Shawl Collars, assure a handsome appearance, as well as being warm and comfortable.

Our Policy has been, and always will be, The Utmost Value at Any Price.

We aim to make your clothes money go farthest and to your greatest satisfaction. You know that at Berney Harris', Quality, Value and Satisfaction are assured—in fact, GUARANTEED.

This is a store of Clothing Insurance. You can't go wrong, because the wrong thing isn't here.

Come in now and fix yourself "Clothes Right" for the season.

TAKES OFF DANDRUFF HAIR STOPS FALLING

Girls! Try This! Makes Hair Thick,
Glossy, Fluffy, Beautiful—No
More Itching Scalp.

Within ten minutes after an applica-
tion of Danderine you cannot find a
single trace of dandruff or falling hair
and your scalp will not itch, but what
will please you most will be after a
few weeks' use, when you see new
hair, fine and downy at first—yes—but
really new hair—growing all over the
scalp.

A little Danderine immediately dou-
bles the beauty of your hair. No dif-
ference how dull, faded, brittle and
scraggy, just moisten a cloth with Dan-
derine and carefully draw it through
your hair, taking one small strand at
a time. The effect is amazing—your
hair will be light, fluffy and wavy,
and have an appearance of abundance;
an incomparable lustre, softness and
luxuriance.

Get a 25-cent bottle of Knowlton's
Danderine from any drug store or
toilet counter, and prove that your
hair is as pretty and soft as any—that
it has been neglected or injured by
careless treatment—that's all—you
surely can have beautiful hair and lots
of it if you will just try a little Dan-
derine.—Advertisement.

HUNDREDS BURIED BY MINE EXPLOSION

Between 230 and 280 Entomb-
ed in New Mexico Colliery.

Denver, Oct. 23.—Between 230 and
280 miners were entombed by an ex-
plosion in mine No. 2 of the Stag
Canon Fuel company at Dawson, N. M.
The entombed men included General
Superintendent Frank McDermott of
the mine and several other American
miners. The cause of the explosion
is unknown.

Meager advices were that only five
miners had been taken from the upper
levels alive. These reports stated
that most of the day shift were em-
ployed below the second level, where
the shaft was blocked with debris re-
sulting from the explosion. Accounts
from Dawson and Raton were uncer-
tain as to the possibility of rescuing
any of the men alive, while a state-
ment issued from the headquarters of
the Phelps-Dodge company at El Paso
expressed hope that most of the en-
tombment men would be found alive.

This belief was based on the fact
that the workings of No. 2 mine are
connected by a tunnel with mine No.
5, while an airshaft is said to furnish
another means of exit.

Immediate relief work was under-
taken by men from the night shift and
neighboring mines. Appeals for aid
started scores of experienced miners
from Trinidad and the surrounding
coal camps.

KOPP WILL NOT WITHDRAW

Republican Refuses to Stand Aside to
Aid Sulzer's Fight.

New York, Oct. 23.—William Sulzer,
deposed governor of New York, faces
a three-cornered fight for election to
the assembly from the Sixth district,
the Republican candidate, Harry Kopp,
declaring emphatically that he had
never promised to withdraw from the
race and did not intend to do so. The
district is normally Republican, and
Kopp, the incumbent of the office, had
been nominated for re-election.

Sulzer's acceptance of the Progress-
ive nomination for the office is char-
acterized as a breach of faith in a
statement issued by Kopp, an affront
to the voters of the district and as a
fight for vindication rather than a
fight to represent the residents of the
Sixth district.

Senate Saves Woman's Home.

Washington, Oct. 23.—A woman's
efforts to save her home again pre-
vailed when the senate repassed the
so called Corbett tunnel appropri-
ation, awarding \$15,750 to claimants for
labor and material furnished on the
Eshosho irrigation project in Wyom-
ing. The appropriation was not re-
ferred to committee and many sena-
tors spoke of the patience and hard
work of Mrs. Catherine MacDonald of
Rutte, Mont., whose entire fortune is
dependent on the legislation. Presi-
dent Taft vetoed the bill last year.

DIAS LANDS AT VERA CRUZ

Mexican General Ignores Advice
to Continue Voyage.

REQUESTED TO KEEP MOVING.

Agent of Government Suggests He Go on to Tampico—Madero's Brothers Arrested at Monterey, Charged With Complicity in Revolutionary Plot.

Vera Cruz, Mex., Oct. 23.—General Felix Diaz landed here from the steamship Corcovado without hindrance. He was cheered as he came ashore by several hundred people of the working class, who had gathered on the quay. He went immediately to the residence of his mother-in-law.

He said in reply to inquiries that he would not withdraw from the presidential candidacy even though he were competing against the Huerta ticket.

An agent of the Mexican government called on General Diaz while he was still on board the steamer and attempted to induce him to continue his voyage to Tampico, but General Diaz refused to do so.

According to reports current here, Diaz is likely to return to Havana aboard a Mexican warship, and, unless the orders from the capital are altered, he will be left no choice.

General Diaz was to have been notified on the high seas of the government's wishes, but the captain of the gunboat Zaragoza, who put to sea in the middle of the night, with Colonel Vlasaurazaga, secretary to the minister of war, to whom the mission had been entrusted, lost his course. A new captain for the Zaragoza was named.

Daniel and Evaristo Madero, brothers of the late president, have been arrested at Monterey, charged with complicity in a plot to turn over that city to revolutionaries.

WILL FREE BRITISH LANDS

Cabinet Proposes Drastic Measure Directed at Landlords.

Swindon, England, Oct. 23.—Chancellor of the Exchequer Lloyd-George gave further details of the government's land campaign. He said again that it was his object to "free British land from landlordism and get the people back on it," and added:

"The two purposes which the Liberal government has set for itself are to attract and retain the rural population on the land and to devise means to develop both the quantity and quality of the total agricultural production of the British Isles."

Three Revivals Under Way at Chanute.

Chanute, Kan., Oct. 23.—Musical comedy posters or other glaring bill-board scenery displaying female figures in tight or any costume not "decently complete" were placed under the ban by the city administration. Members of the police department went about with brush, paste and plain white paper covering up those portions of posters not properly draped. Three revivals are under way in Chanute churches.

Dry Farming Congress Postponed.

Tulsa, Okla., Oct. 23.—Because of a rainstorm the opening here of the international Dry Farming congress and exposition was postponed for a day. The remainder of the week will be devoted to the inspection of exhibits sent by twenty states and fifteen foreign countries. The session of the congress proper will open Oct. 27 and continue until Oct. 31.

Garrison Off for Panama.

New York, Oct. 23.—Lindley M. Garrison, secretary of war, accompanied by Mrs. Garrison and his secretary, left New York for Panama on the Colon. He will make a general investigation of conditions in the canal zone, particularly with reference to a plan for permanent organization of the administration there after the canal is completed.

Lehigh Files Answer.

Philadelphia, Oct. 23.—The Lehigh and New England Railroad company, in its answer filed in the United States court here in the suit of the government to dissolve the alleged anthracite coal trust, declared that it is not a member of any illegal combination in restraint of trade.

Coeds Must Swim to Get Credits.

Lawrence, Kan., Oct. 23.—Women in the University of Kansas must learn to swim before they can acquire credits in the department of physical education, according to a new rule, which requires that all women freshmen and sophomores become proficient in swimming.

Brown Is Chosen Moderator.

Kansas City, Oct. 23.—Rev. Charles R. Brown, dean of the divinity school of Yale university, was chosen moderator of the National Council of Congregational churches on the first ball lot here. Dr. Brown obtained 190 of the 254 votes cast.

Postpones Action on Negro Bishop.

New York, Oct. 23.—The general convention of the Protestant Episcopal church postponed for three years action on the question of giving the negroes of the south a bishop to represent them directly in the house of bishops.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment, and therefore requires constitutional treatment, and therefore requires constitutional treatment. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

NEED BIBLE MORE THAN EVER.

Bryan Says Every Community Could Be Bettered by Greater Application of Book to Daily Life.

"There never was a time when the people needed the inspiration of the Bible more than they do at present," said Secretary Bryan in addressing the delegates to the Woman's Home Missionary society of the Methodist church in session at Washington, D. C.

"And," the secretary added, "there is not a community which cannot be purified, redeemed and improved by a better knowledge and larger application of the Bible to the daily life. No money that is invested pays so large a dividend as money that is spent for the moral uplift of the community."

Bryan strongly advocated higher education of the young men and women of the country.

"I am inclined to believe, however," he said, "that we have overestimated the value of mental training and underestimated the value of the heart's development. A good heart can use a very dull mind and make that mind serviceable to society, but a bad heart cannot make use of a mind, however brilliant."

The speaker expressed hearty sympathy with both foreign and home missionary work.

Mrs. Ella Carter of Rea, Mo., who has been visiting Mr. and Mrs. Felix Grundy, returned home Thursday morning.

LESS BOWEL TROUBLE

Maryville people have found out that a SINGLE DOSE of simple buckthorn bark, glycerine, etc., as compounded in Alder-ka, the German bowel and stomach remedy, relieves constipation, sour stomach or gas on the stomach INSTANTLY. This simple mixture became famous by curing appendicitis and it draws off a surprising amount of old foul matter from the body. It is wonderful how QUICKLY it helps. W. Jones, druggist, Druggist Shuff at Pickering reports great success there.—Advertisement.
